Subject: Nomination for Award

Hi Gail,

As you can see below, GAT is a sponsor for the AREA awards this year! I would love to nominate you for an award. If you would consider my nomination, please go to the website link below and complete the nomination form. Put my info in as the nominator and you as the nominee. Submit the form and hopefully you are the winner! I will be happy to endorse your achievements and success. You do amazing things and I believe you should be acknowledged. ☐

You might want to pass this around to everyone you know for a nomination. Let me know when you get it done, the deadline is Feb. 16th.

Good Luck to you! Dana
